3. Websites. Licensee shall provide to Licensor a list of all websites under its control on which Licensee uses the Lumileds Badge in order for Licensor to create a "safe list" of websites (Schedule B). Licensor is entitled to seek take-down of any websites where the Lumileds Badge is displayed which is not included on the "safe list". For avoidance of doubt, this does not apply to 3rd party online resale platforms, where Licensee's Products are shown and where representation of such Products includes pictures of the Packaging, and such Packaging legitimately displays the Lumileds Badge.

In addition, if in Licensor's sole discretion, Licensee uses the Lumileds Badge online in a manner that is not compliant with the Guidelines or misuses the Lumileds Badge or Lumileds' Marks in any way, and fails to cure such misuse within five (5) business days from receiving written notice of such misuse from Lumileds, Lumileds reserves the right to take-down any of Licensee's online advertisements, listings, webpages, etc.

Products in connection with which the Lumileds Badge is still in use shall remain unaffected.

5. Quality Standards. Licensee agrees that the nature and quality of all of its Products, Packaging, Marketing Materials and services offered in connection with the Products shall be of a quality at least as high as the quality of products and services currently offered by Licensor and convey an image of quality at least on par with key competitors in the market. In particular:

- c) Upon reasonable written request, Licensee shall submit to Lumileds, within fifteen (15) business days of such request, samples of any Packaging or Marketing Materials. If Lumileds determines, in its sole discretion, that any use of the Lumileds Badge on any Packaging or Marketing Materials submitted to Lumileds under this Agreement is inappropriate or non-compliant with the Guidelines in any respect and delivers to Licensee a written notice describing in reasonable detail the inappropriate or non-compliant use, Licensee shall, as soon as reasonably practical, remedy the inappropriate use, as instructed by Lumileds in such notice. If such inappropriate or non-compliant use is not remedied within thirty (30) business days or if it is reasonably apparent at the time of Lumileds written notice that such inappropriate or non-compliant use cannot be remedied, the particular Product is automatically removed from Schedule A and Licensee will cease all use of the Lumileds Badge in connection with the respective Packaging or Marketing Materials for said Product. Licensee agrees that nothing in this Agreement shall give Licensee any right, title, or interest in the Lumileds Badge other than the right to use the Lumileds Badge in accordance with the terms and conditions of this Agreement. Licensee agrees that it will not challenge, or assist in a challenge to ownership or use, by Licensor of Lumileds Marks or attack the validity of this Agreement at any time, including subsequent to its termination.

Lumileds Singapore Pte. Ltd.

7. Marking and Attribution. Licensee agrees that it will designate its Packaging and Marketing Material in a manner to clearly indicate that Lumileds owns all rights in and to the LUMILEDS trademark and that the LUMILEDS trademark is used pursuant to license. To that effect, Licensee shall use the following statement in English or translated into local language as necessary: "LUMILEDS is a registered trademark of Lumileds Holding B.V. and is used under license".

8. Use of Licensee's Name and Trademark. Licensee agrees to be named as a licensee and/or participant of the "Lit by Lumileds" program in Licensor's marketing materials. In connection with such use, Licensee agrees that Licensor may use Licensee's company logo or trademark for such marketing materials. Any such use of Licensee's name and/or trademark will be submitted to Licensee for prior written approval, such approval not to be unreasonably withheld. Licensee shall communicate its approval within fifteen (15) business days of receiving the written request, including examples, from Licensor. If Licensee does not respond within the time frame, Licensee is deemed to have approved the request. Licensor is under no obligation to name Licensee as a licensee and or/participant of the "Lit by Lumileds" program.

9. Third Party Rights. Licensee understands and agrees that it does not have the right to use the Lumileds Badge in any manner that conflicts with the rights of any third party. If, in Lumileds' commercially reasonable determination, Licensee's use of the Lumileds Badge infringes the rights of any third party, then Licensee agrees to immediately terminate or modify such use in accordance with Lumileds' instructions.

10. Worldwide Registration and Use of the Lumileds Badge. Licensee agrees not to apply for registration of Lumileds Marks, any portion thereof or any mark confusingly similar thereto anywhere in the world. As the registration of the Lumileds Badge may be required in certain countries in order for Licensee to use the Lumileds Badge in accordance with this Agreement, upon Licensor's request, Licensee shall provide Licensor with a list of all countries, jurisdictions, and territories in which Licensee sells, distributes, or advertises Licensee's Products.

11. Monitoring Use of Trademarks. Licensee agrees to use commercially reasonable efforts to monitor the use or infringement of the Lumileds Badge or any trademarks, service marks or trade names confusingly similar thereto. Upon the discovery by Licensee any such use or infringement, Licensee shall immediately notify Lumileds thereof in writing, and shall provide reasonable assistance to Lumileds in connection with any actions taken with respect thereto, which actions shall be taken in Lumileds' sole discretion and subject to Lumileds' sole control.

12. Termination. This Agreement will terminate automatically if Licensee no longer uses the Lumileds Badge. For all purposes of this Agreement, Licensee's non-use of the Lumileds Badge will be assumed if Licensee fails to submit the annual proof of use of the Lumileds Badge in accordance with Section 4 of this Agreement.

Notwithstanding the foregoing, Licensor may terminate this Agreement at any time upon thirty (30) days written notice to Licensee.

13. Effect of Termination. Upon termination of this Agreement for whichever reason, Licensee shall be granted an automatic three (3) months sell-off period during which it may sell any remaining stock bearing the Lumileds Badge. This sell-off period may be extended by Licensor upon written request from Licensee for a period not exceeding six (6) months from the date of termination. Upon expiry of the sell-off period, Licensee will cease and discontinue any and all use of the Lumileds Badge.

Notwithstanding any provisions to the contrary, the termination of this Agreement will not affect the rights of Licensee's customers to sell or distribute existing Products whose Packaging bears the Lumileds Badge in accordance with this Agreement, provided that such Products were sold to such customers prior to the expiry of the sell-off period.

14. Breach. Nothing in this Agreement will be construed so as to impair any legal or equitable right of either party hereto to enforce any of the terms of this Agreement by any means, including without limitation, an action for damages or a suit to obtain specific performance of any or all of the terms of this Agreement. In the event of such an action, the prevailing party shall be entitled to all costs of the action, including reasonable attorneys' fees, in addition to any other relief to which such party may be entitled. It is hereby expressly acknowledged by the parties to this Agreement that a breach of this Agreement by any party hereto will cause such injury as the laws of, and the courts in Singapore recognize as immediate and irreparable

15. Indemnification. Licensee shall defend, indemnify, and hold harmless Lumileds, its affiliates, successors, and assigns ("Licensor's Indemnified Parties") from and against any claim or action arising from any failure or defect in Licensee's Products or from the supply and distribution of Licensee's Products not attributable to Lumileds' LED light sources, including, without limitation, product liability claims. In addition, Licensee shall defend, indemnify, and hold harmless the Licensor's Indemnified Parties from and against any claim or action arising from a breach, or based on a claim that, if true, would be a breach, of this Agreement by Licensee, or arising from Licensee's improper use of any of the Lumileds Badge.

Any amendment to this Agreement must be in writing specifically referring to this Agreement and signed by duly authorized representatives of both parties.

Licensees' customers may apply directly for their own license and such application will be considered on its merits.

19. Severability. Each party hereto expressly agrees that neither party intends with this Agreement to violate any public policy, statutory or common laws; that if any sentence, paragraph, clause or combination of this Agreement is in violation of any state, federal or common law, such sentence, paragraph, clause or combination of same will be inoperative, but this Agreement will otherwise remain binding upon the parties, provided that, in such event Licensor and Licensee will negotiate in good faith to substitute equitable, enforceable provisions which most nearly effect Licensor's and Licensee's intent in entering this Agreement.

20. No Waiver. The waiver of any breach of this Agreement by either party will not be a waiver of any other subsequent or prior breach.

21. Governing Law. This Agreement shall be governed by and construed under the laws of Singapore, excluding its choice of law rules.
