If any inspection or test by Purchaser is made on the premises of Supplier, Supplier shall provide reasonable facilities and assistance for the safety and convenience of Purchaser's inspection personnel or any third party designated by Purchaser. - (a) if both Parties have their registered office in the United States of America, by the US District Court for the Northern District of California or, if such court does not have subject matter jurisdiction, the courts of the State of California sitting in Santa Clara County and any appellate court from any thereof. Each Party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees to bring any such action, litigation, or proceeding only in the US District Court for the Northern District of California or, if such court does not have subject matter jurisdiction, the courts of the State of California sitting in Santa Clara County; or

20.3. Supplier accepts and agrees that solely Purchaser may, at its own discretion and in lieu of starting court proceedings under article 20.2, choose to finally settle any controversy or claim arising out of or relating directly or indirectly to this Agreement by arbitration under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules.

20.4. Nothing in this Agreement prevents or prohibits Purchaser or Supplier from seeking urgent interim relief in any court of competent jurisdiction, including pre-arbitral attachments, temporary restraining orders, temporary injunctions, permanent injunctions and/or orders of specific performance, as may appear reasonably necessary to preserve its rights.

21. Miscellaneous

21.1. Supplier shall not subcontract, transfer, pledge or assign any of its rights or obligations under the Agreement without the prior written consent of Purchaser. Any such pre-approved subcontracting, transfer, pledge or assignment shall not release Supplier from its obligations under the Agreement. Purchaser may assign or transfer the Agreement or any of its rights and obligations under the Agreement to any of its Affiliates without notice to Supplier.

21.2. The applicability of general sales conditions or other general terms used and/or to be used by Supplier is explicitly rejected.

21.4. Except as otherwise provided in article 2.1, the Agreement is the entire agreement between the Parties concerning its subject matter and supersedes all prior and contemporaneous oral and written agreements, commitments, and understandings concerning its subject matter.

21.5. In the event that any provision(s) of these General Terms of Purchase and/or the Agreement shall be held invalid, unlawful or unenforceable by a court of competent jurisdiction or by any future legislative or administrative action, such holding or action shall not negate the validity or enforceability of any other provisions of the Agreement. Any such provision held invalid, unlawful or unenforceable, shall be substituted by a provision of similar import reflecting the original intent of the provision to the extent permissible under applicable law.

21.7. Neither the failure nor the delay of Purchaser to enforce any provision of the Agreement shall constitute a waiver of such provision or of the right of Purchaser to enforce each and every provision of the Agreement.

21.8. Purchaser may amend these General Terms of Purchase from time to time by sending a new version of the General Terms of Purchase to Supplier. Unless Supplier raises a written objection to Purchaser within four (4) weeks from the date of receipt of the new version, Supplier shall be deemed to have accepted that the new version shall apply to any future Agreement.
