

LUXEON UV FC1 Optical Rayset

Feb 8th, 2017

Location of Reference Point

Note: Dimensions (nominal) are in mm.

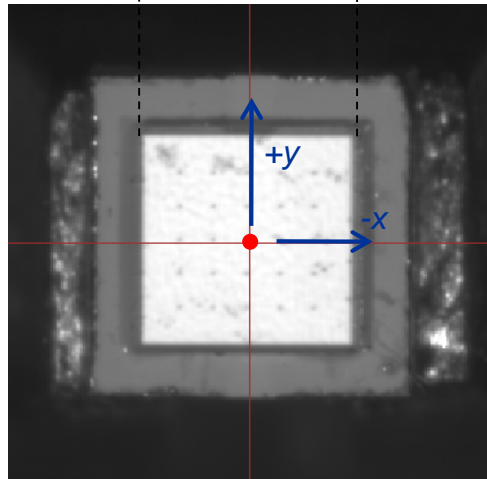

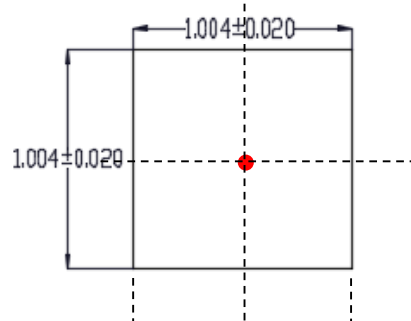

Photo 1 – top view

- xy centered on chip emitting area
- z-axis referenced to top of chip
- chip mounted on small PCB with white reflective solder mask on top as shown.

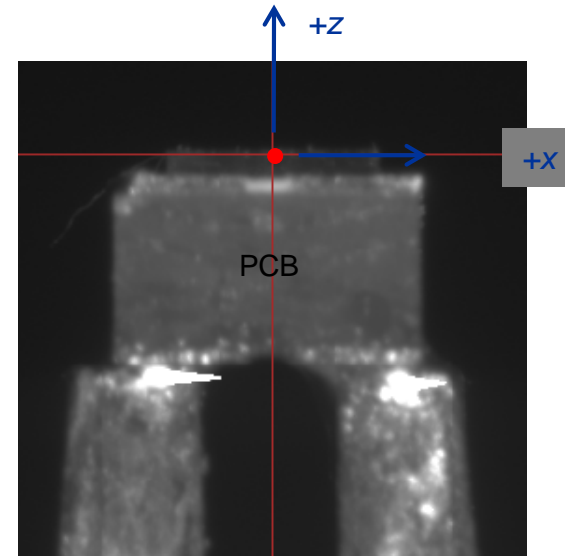

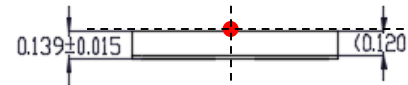

Photo 2 – side view

Radiation Pattern – Relative Luminous Intensity versus Angle on x-z plane
