

LUXEON UV U Line Optical Rayset

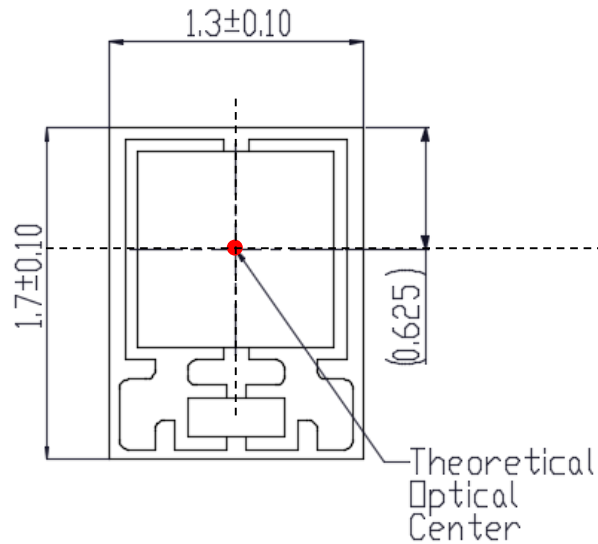

Aug 21st, 2017

LUXEON UV U1

Location of Reference Point

Note: Dimensions (nominal) are in mm.

- xy centered on chip emitting area
- z-axis referenced to top of package as shown

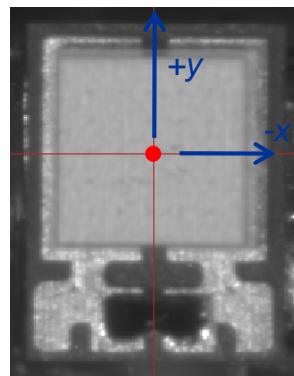

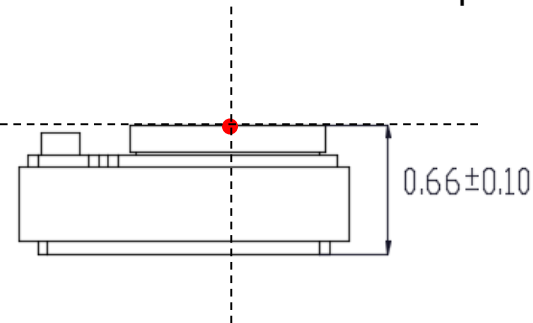

Photo 1 – top view

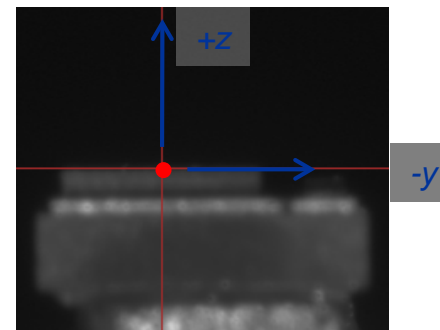

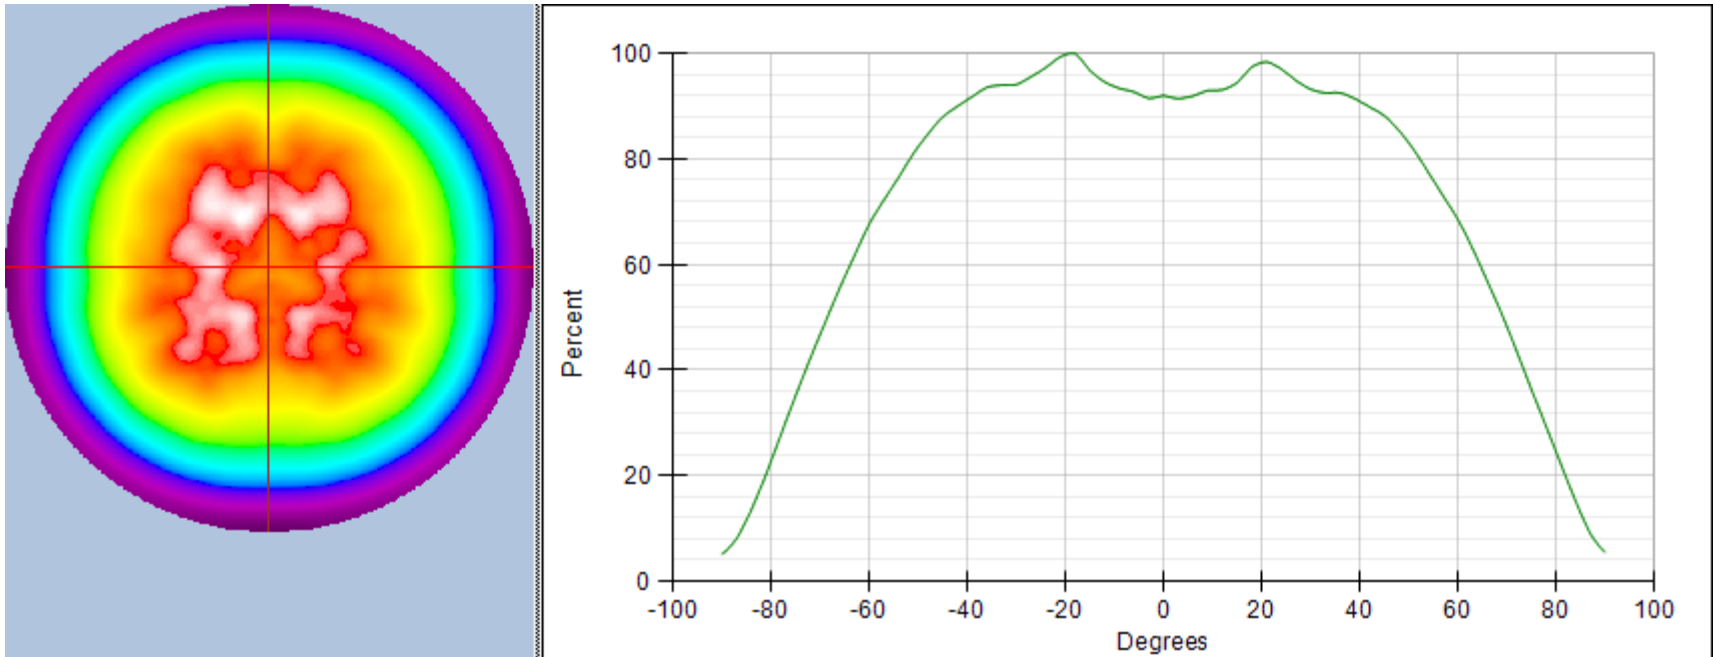

Photo 2 – side view

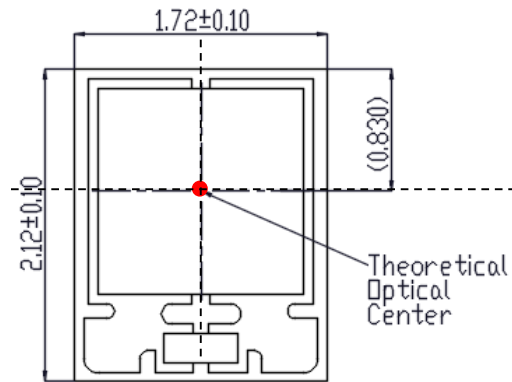

Radiation Pattern – Relative Luminous Intensity versus Angle on x-z plane

LUXEON UV U2

Location of Reference Point

Note: Dimensions (nominal) are in mm.

- xy centered on chip emitting area
- z-axis referenced to top of package as shown

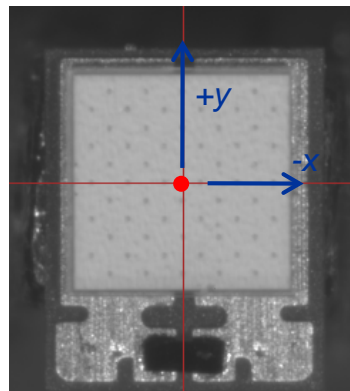

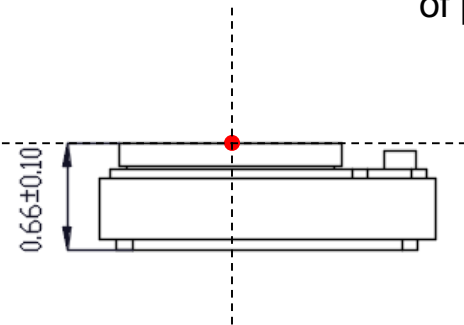

Photo 1 – top view

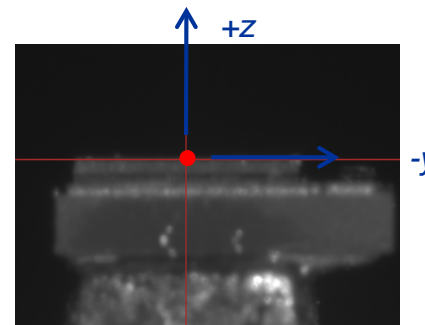

Photo 2 – side view

Radiation Pattern – Relative Luminous Intensity versus Angle on x-z plane
